AVL SALARY
SACRIFICE

A genuine win for everyone!

WHAT IS SALARY SACRIFICE?

A scheme where an employee can give up a portion of their gross salary for a fully funded, maintained and insured electric car.

This reduces income tax and NI contributions, and due to low benefit in kind tax (BIK) on electric vehicles, is very cost effective for the employee.

BENEFITS TO THE EMPLOYER

- No cost to employer
- Staff retention
- AVL Protection
- Green targets, reduce your CO2
- The vehicle stands the employer at £0 at the end of the contract

BENEFITS TO THE EMPLOYEE

- Huge tax savings
- Cheapest way to drive a brand new EV
- Fully insured & maintained
- Breakdown cover included
- No deposit
- No credit check

AVL PROTECTION

- Any time after 12 months
- Free return of the vehicle if the Employee leaves for any reason*
 - Maternity leave
 - Long term sick
- Return the vehicle to AVL
- 1 month notice

*Mileage and condition dependant.
